2020 JUSTIN BEST FOOTING AWARDS

The Justin Best Footing Award dates back to the early 1990s, when Tom Feller, director of event marketing for Justin Brands, approached the WPRC about partnering on a program that would focus on the health and well being of the animal athlete. As a result, the Justin Best Footing Awards® program was born; and it continues to thrive today. Not only does the program keep animal athletes

performing at the top level, but also it recognizes the hard work and time rodeo committees put into making their ground as safe as possible for the barrel horse and all rodeo livestock.

Every year the WPRC membership recognizes the top three rodeo committees in all 12 circuits as well as the most improved ground committee in each circuit, which puts forth the extra effort to ensure their rodeo has the safest most consistent ground possible for barrel racing. Committee awards provided by Justin Boots include cash bonuses and plaques. In 2020, due to COVID-19 cancellations only one rodeo was recognized in each circuit.

Congratulations to the following rodeo committees and the WPRC thanks you for making your ground safe and consistent.

SADDLE ROTATION PROGRAM

The Wrangler NFR saddle program is truly one of the most innovative awards programs in professional rodeo. Established in 1998, the NFR Saddle Program was created as a means to celebrate WPRA's 50th anniversary. The program proved so popular and successful it has continued uninterrupted in each successive year.

The concept of the NFR Saddle Program is to award a trophy saddle to each of the top 15 NFR barrel racing contestants. The saddles are donated to the program by the nation's top saddle makers

and their endorsees. Each year the saddles are on display at the WPRA booth at Cowboy Christmas in the Las Vegas Convention Center, during the NFR. In addition to the top 15 qualifiers, saddles are also donated for Reserve World Champion, NFR Fastest Time and WPRA Rookie of the Year.

The WPRA and the top 15 barrel racers truly appreciate all the support that these great saddle manufacturers give to the NFR Saddle Rotation Program and the sport of rodeo.
